Philip Morris Files Statement

Philip Morris, Inc. said yesterday it has filed a registration statement for the sale of \$75 million in sinking fund debentures.

The bonds, which would be retired in 1993, would be used to pay off most of an \$80-million bank loan.

The bonds would be offered by a syndicate headed by Lehman Brothers and Goldman, Sachs & Co.

Philip Morris Holders Approve Stock Sales

Dow Jones News Service

RICHMOND, Va. — At a special meeting, stockholders of Philip Morris Inc. voted to permit the company to market outside the U.S. shares of common stock or securities convertible into common without first offering the shares to stockholders.

The Philip Morris stockholders voted to eliminate preemptive rights on shares sold outside the U.S. or issued upon conversion of securities.

Philip Morris Holders Vote To Sell Securities Overseas

RICHMOND, Va.—Philip Morris Inc. shareholders approved a proposal at a special meeting here to permit the cigaret company to market common stock or securities convertible into

common outside of the U.S. without first offering them to shareholders.

The move was prompted, according to Joseph F. Cullman III, chairman, by Government restrictions against transfer of money abroad. Mr. Cullman said the restrictions make it necessary to sell securities abroad to raise funds for international operations.
